

Electricity Health Check

(for domestic dwellings)

The Electricity Health Check costs \$180 (incl. GST) and comprises a:

- ⇒ home visit (approx. one hour);
- ⇒ report outlining fully costed improvement measures;
- ⇒ electricity bill analyses; and
- ⇒ hard or soft copy (which ever you prefer) of the report for you to keep.

Stop paying too much for wasted electricity!

Saving electricity by using it smarter is much cheaper than any other savings measure!

Efficiency first!

Maximise your savings and contact us today to arrange for your Electricity Health Check.
